News reports:

10.18.1 Tobacco industry-sponsored consultants

Research:

**10.18.2 Tobacco industry-affiliated research foundations**

**10.18.4 Tobacco industry-funded research in academic institutions**

Pisinger, C. Reading the conflict of interest statement is as important as reading the result section: Response to the letter by Dr. Kosmider: ideology versus evidence: investigating the claim that the literature on e-cigarettes is undermined by material conflict of interest. Prev Med, 2016. Available from: [http://www.ncbi.nlm.nih.gov/pubmed/26892912](http://www.ncbi.nlm.nih.gov/pubmed/26892912)
