13.1 Price elasticity of demand for tobacco products

Last updated November 2023

Research:

13.1.1 Estimates of elasticity ................................................................. 1
13.1.2 Various methods of measuring elasticity ..................................... 5
13.1.3 Impact of price increases on uptake, continued consumption and quitting .................. 6
13.1.4 Price sensitivity among various population groups .................. 6
13.1.5 Price elasticity for tobacco products other than cigarettes .......... 15
13.1.6 Theories of demand ................................................................. 21

News reports:

13.1.3 Impact of price increases on uptake, continued consumption and quitting .............. 22
13.1.4 Price sensitivity among various population groups .......................... 24
13.1.5 Price elasticity for tobacco products other than cigarettes ................. 25
