3.21 Health effects for young people who smoke

Last updated September 2021

Research:	1
3.21.1 Early signs of addiction	5
3.21.2 General health of young people who smoke.....	5
3.21.3 Lung function, respiratory symptoms and early signs of lung disease in young people who smoke	6
3.21.4 Asthma in young people who smoke	7
3.21.5 Cardiovascular disease in young people who smoke	8
3.21.6 Metabolic syndrome in young people who smoke	10
3.21.7 Dental health problems in young people who smoke	11
3.21.8 Muscular skeletal problems in young people who smoke	11
3.21.9 Fitness and lung function in young smokers	12
3.21.10 Other health problems in young people who smoke	13
News reports:	14
3.21.9 Fitness of young people who smoke	14
